Very Special Information

Erin's Law, House Bill 6193 was signed by Governor Pat Quinn on January 24, 2013. This law requires schools to implement an age-appropriate sexual assault and abuse awareness and prevention curriculum for grades pre-K through 12. District 90 has researched best practices and programs for delivering this instruction. We reviewed several recommended programs and visited several area school districts to observe programs in action. We are very pleased to share that Victor Pacini will be visiting our schools to deliver his program entitled, *Be Seen and Heard*®, a prevention-oriented child sexual abuse program.

Mr. Pacini is an author, a motivational speaker, and a survivor of sexual abuse. He will be assisting our schools in implementing this mandate. Mr. Pacini's program is developmentally appropriate, interactive, and aligned with learning standards. He

is a native to the area and has presented in front of over 850,000 students and Parents in numerous districts in Illinois and nationwide. He has been endorsed by the Illinois and National PTA organizations.

The focus of his presentation is to teach children basic skills to keep them safe from dangerous or abusive situations. The concepts that will be discussed are:

Distinguishing safe from unsafe touches

Safety rules at home and school

Saying "NO"

Safe/Unsafe Secrets

It's not the child's fault if someone touches him or her

Telling a trusted adult
