

Share Photos with the Lincoln Yearbook

The Lincoln Yearbook is always happy to receive photos from all school, club and PTO events. We do need high resolution photos, so if sending from your phone, please select "Large" or "Full" size if you are prompted.

If you have a lot of photos to share, the best way is to load them on a flash drive (we will return the drive), or you can share photos with us via Google Drive or Dropbox.

If you have a small number of photos, you can send them via email, but be aware that only a few high resolution photos can be sent on a single email (the digital file size will exceed email capacity). Feel free to send several emails!
